

Odyssey Systems One of Eight Awarded \$800 Million PASS Contract

(Wakefield, MA) – Odyssey Systems Consulting Group is one of eight contractors awarded the "Professional Acquisition Support Services (PASS)" contract to provide advisory and assistance support services to the U.S. Air Force Electronic Systems Center (ESC) at Hanscom Air Force Base (AFB), MA, Gunter AFB, AL, Hill AFB, UT, Lackland AFB, TX, Maxwell AFB, AL, Petersen AFB, CO, Tinker AFB, OK, Wright-Patterson AFB, OH, and other operating locations worldwide. The ceiling value of the contract is \$800M over a five year period of performance.

The Odyssey team will provide professional services in the areas of Acquisition, Financial Management, Contracting, and Administrative Support. This competitive award recognizes Odyssey and its team members for their outstanding past contributions to the success of the Air Force mission and Odyssey's proposal to provide continuing innovative services to the Air Forces at Hanscom AFB and the Electronic Systems Center (ESC).

Mike Sweat, CEO of Odyssey Systems said, "This award validates the investments we've made and the team we've assembled, as well as our ten year track record of exceptional performance at ESC. ESC is our hometown; our roots are deep and our commitment to ESC's mission success is unwavering."

"The PASS Contract is a strategic win for the Odyssey Team. It will allow us to expand our involvement and commitment in supporting the ESC Mission and especially the men and women who serve in our armed forces fighting for our safety and freedom," added Mike Prisco, Odyssey Systems' Director of Defense and Security Services. "We look forward to working closely with our customer and rolling up our sleeves to meet the future challenges together as one integrated unit."

Odyssey Systems Team members include: Altech Services Inc.; Advanced Solutions for Tomorrow (ASFT); BAE Systems; Bearing Point; Business Plus Corporation (BPC); CDO Technologies; Centech; EDSI; Flaherty Technical Services; KPMG; Lawrence Battelle, LC Wright, Madison Research Corporation (MRC); MicroLan Systems Inc.; Multimax; P3I; Perot Systems; SDS International (SDS); SI International; Sultan Consultants; and The Task Force.
