

## **Odyssey Systems Awarded PASS Task Order valued at \$78.1 Million over 5 years**

The Odyssey team will provide expert Advisory and Assistance Support Services to the 850 Electronic Systems Group.

**Wakefield, MA, June 5, 2007:** Odyssey Systems Consulting Group was recently awarded a Professional Acquisition Support Services (PASS) Task Order contract to provide advisory and assistance support services to the U.S. Air Force Electronic Systems Center's (ESC) 850 Electronic Systems Group (ELSG). The 850th Electronic Systems Group acquires, fields, and sustains the U.S. military's global sensing, communication and decision-making capabilities, including missile warning and defense sensors, global command and control systems, space control sensors and battle management systems. Work will be performed at Petersen Air Force Base (AFB), CO, Hanscom AFB, MA, Offutt AFB, NE, Scott AFB, IL, Tinker AFB, OK, Dahlgren, VA, and other locations worldwide. The contract ceiling value is \$78,133,543 over a five year period of performance.

Odyssey CEO Michael Sweat commented: This award recognizes our team's strength in managing complex C4ISR technology projects for the U.S. military and its coalition partners. We look forward to our partnership with the 850 Electronic Systems Group and the 350 Electronic Systems Wing and commit our full resources to their mission success.

Odyssey Systems Team members include: Altech Services Inc.; Advanced Solutions for Tomorrow (ASFT); BAE Systems; Bearing Point; Business Plus Corporation (BPC); CDO Technologies; Centech; EDSI; Flaherty Technical Services; KPMG; Lawrence Battelle, LC Wright, Madison Research Corporation (MRC); MicroLan Systems Inc.; Multimax; P3I; Perot Systems; SDS International (SDS); SI International; Sultan Consultants; and The Task Force.
